

O.C.M. 100 PREMIX

A NATURAL DIET - ORGANIC

FEED FOR ALL SPECIES

Contains: Dehydrated flours of *Macuna pruriens* seeds, Seeds of *Trigonella*, *Boerhaavia diffusa*, Dried garlic (*Allium sativum*), *Asparagus* root, *Solanum nigro*, *Piper nigrum* seeds, - extracts of hydrolyzed mountain herbs, dehydrated flours of *Citrullus cholocyntis*, *Boerhaavia diffusa*, *Solanum nigro*, alfalfa flour* - calcium and magnesium carbonate - mono-dicalcium phosphate - sodium bicarbonate, *common wheat flour**, magnesium oxide.

62.2% dry matter of agricultural origin; (*) 13% dry matter from organic farming; % by weight of dry matter from organic farming on dry matter of agricultural origin = 20,9

ADDITIVES (per Kg)

- Compounds of trace elements:

E5 Manganese Mn, manganous oxide mg 6,500 (equal to Manganese mg 5,000)

DESCRIPTION

O.C.M.100 Premix contains a special mixture of natural enzymes that improves the digestive degradation of the protein fraction, increases the use of the energy contained within the constituted cell walls from otherwise indigestible fibers (hemilcellulose, pectins).

With O.C.M.100 Premix can obtain:

- Better digestibility of proteins
- Increase metabolizable energy
- Stabilization of intestinal pH
- Reductions in intestinal rot products

ACTION

With O.C.100 Premix you can formulate diets with seed flours and by-products with a high cellulose content by making the most of protein sources and available energy.

Diets supplemented with O.C.100 Premix combine better performance, higher weights, increase daily weight gains, better conversion index with lower food costs.

DOSAGE

To be administered in addition to the complete feed at a dose of 0.1%.

Dosages may vary depending on the health situation of the farm.

The technical service is available to advise the dosage.

PACKAGES

Available in bags of 20 Kg. and big bags of 1000 Kg

Store in a cool, dry place, away from heat sources.

Store within 12 months from the date of manufacture.

FAMI-QS Certificate
